

# HEARTS TOUCHING HEARTS

## Valentine Service Project

Our Pastorate will be making *Valentine Day Cards for the Homebound*. The cards are to be *given to Ms. Margaret no later than February 10, 2022*. Please follow these specific directions when creating the cards:

**Be Creative** – You may use craft materials to make the cards. You can draw a picture, use poetry or scripture, include a heartfelt message. Feel free to be as creative as you would like.

**No Glitter!** Glitter can be pretty, but it is extremely messy. Please find a way to create beautiful cards without the mess.

**No Last Names** – You may sign your first name at the bottom of the card. You may also leave the card unsigned or sign it with your grade and the name of the school. We will not distribute cards that include last names.

**Appropriate Message** – the purpose of the cards is to spread love and joy, therefore, please ensure that the message reflects this.
