June 2022

Dear Parent or Guardian,

This summer students will be utilizing technology to keep their minds sharp and active while they are out of school, while making it easy on parents to manage and teachers to monitor. We will be using the website www.ixl.com to personalize learning for all students.

IXL creates personalized learning with a comprehensive Math and Language Arts curriculum. It provides individualized guidance and real-time analytics. IXL can meet the unique needs of each learner.

During the summer, students will complete diagnostic and review activities tailored to their grade level. Students should review the math and ELA skills for the grade level they completed in June.

New Students who are coming to STMSTC for the first time:

Please email Mrs. Latkowsky at platkowsky@stmstc.org and I will set up an account for your student and email you their username and password. Once you have that, follow these instructions to get your child started on IXL.

To get your child started at home, please follow these easy steps:

- ★ Go to <https://www.ixl.com>
- ★ Enter your child's username and password and click "Sign in."
- ★ Click on any "Suggested Skills" to see skills your teacher has recommended and start learning!
- ★ Students should strive for at least an 80% on skills practiced.

IXL is designed to help your child learn at their own pace. The program is adaptive and will adjust based on your child's demonstrated understanding of the material. All of your child's results will be saved, so you can monitor their progress anytime by clicking on Analytics. For on-the-go practice, you can download IXL's free mobile apps for Apple, Android, or Kindle and sign in with your child's username and password.

Thank you and have a great summer!

Mrs. Latkowsky, Middle School Math Teacher

Welcome to 6th Grade at STM-STC!

Your summer reading assignment is listed below. Since you do not have a Google account set-up yet, the reading assignment is listed below. If you have any questions about it, please contact me at sritmiller@stmstc.org.

Thank you,

Mrs. Ritmiller

In addition to IXL this summer, you will be reading the novel, *Rules*, by Cynthia Lord. It is not necessary to purchase a copy of the book, Baltimore County owns several copies of it, so you may borrow it from the library.

After you finish reading the novel, complete the project that is attached to this page.

This assignment is due on September 7, 2022.

Have a great summer and happy reading!!

Rules Project

This project is due September 7th.

1. You are to create 12 cards that Jason could add to his communication book. Try to choose words that have not already been added from Catherine's creations. Which words do you think he needs most? Choose those and illustrate them for him. You can do these by hand or use Google Slides.
2. If David were your brother and he suffered from autism, what rules would it be important for him to know. Make a list of 5 rules that would be important for David to understand. You may write them on paper or create a Google Slide of them. Be sure to decorate your rules. You may not use any of the rules from the book. These have to be your own unique set of 5 rules.

BACK TO SCHOOL

4. Tan Suede Buck

5. Black Nu Buck
5B. Brown Nu Buck

St. Michael – St. Clement School
Office of Tuition Management

June 3, 2022

St. Michael – St. Clement School Families,

The end of the school year and summer break are fast approaching and I wanted to inform you of my availability during the summer months. I will be in the office **Monday – Thursday** from **8:00AM – 1:00PM** and you can reach me at 410-668-8797 ext. 214. You can also reach me at any time at my email address, dpolsinelli@stmstc.org. Please keep in mind that I need **3 business days** to make any changes to your account. Thank you!

Sincerely,

Denise Polsinelli – Tuition Manager
