June 2022

Dear Parent or guardian,

This summer students will be utilizing technology to keep their minds sharp and active while they are out of school, while making it easy on parents to manage and teachers to monitor. We will be using the website www.ixl.com to personalize learning for all students. Current students have been using this website throughout this school year, both at home and in the classroom.

IXL creates personalized learning with a comprehensive Math and Language Arts curriculum. It provides individualized guidance and real-time analytics. IXL can meet the unique needs of each learner.

During the summer, students will complete diagnostic and review activities tailored to their grade level.

Math students should review the skills for the grade level they completed in June. Any questions, please email Mrs. Latkowsky, middle school math teacher, at platkowsky@stmstc.org

New Students who are coming to STMSTC for the first time:

Please email Mrs. Latkowsky at platkowsky@stmstc.org and she will set up an account for your child and email you their username and password. Once you have that, follow these instructions to get your child started on IXL.

Current Students:

- ★ Go to <https://www.ixl.com>
- ★ Enter your child's username and password (see attached) and click "Sign in."
- ★ Click on any "Suggested Skills" to see skills your teacher has recommended and start learning!
- ★ Strive for at least 80% on each skill.
- ★ Thirty minutes per week for math and thirty minutes for ELA is the recommended time for summer work.

IXL is designed to help your child learn at their own pace. The program is adaptive and will adjust based on your child's demonstrated understanding of the material. All of your child's results will be saved, so you can monitor their progress anytime by clicking on Analytics. For on-the-go practice, you can download IXL's free mobile apps for Apple, Android, or Kindle and sign in with your child's username and password.

Welcome to 7th Grade at STM-STC!

Your summer reading assignment is listed below. Since you do not have a Google account set-up yet, the reading assignment is listed below. If you have any questions about it, please contact me at sritmiller@stmstc.org.

Thank you,

Mrs. Ritmiller

In addition to IXL this summer, you will be reading the novel, *Fish in a Tree*, by Lynda Mullaly Hunt. It is not necessary to purchase a copy of the book, Baltimore County owns several copies of it, so you may borrow it from the library.

After you finish reading the novel, complete the project that is attached to this page.

This assignment is due on September 7, 2022.

Have a great summer and happy reading!!

Fish in a Tree

Developing Empathy

Essential Question: How does drama help us empathize with various characters and their struggles?

Objective: You will write a letter to a character in *Fish in a Tree* that gives advice, words of encouragement, or even warnings related to a character's particular problem.

Activity:

- Choose a character from *Fish in a Tree*.
- Write a letter to that character that offers them advice or gives them words of encouragement. You may even write a warning to the character about his/her particular problem.
- Formulate your letter in such a way that your character knows that you are empathizing with his/her situation. Your words should convey an honest message that allows them to feel that you truly care and are concerned about their current situation.
- Your letter should be a friendly letter addressed to the character in the book and the closing should be your own name.
- Grammar and spelling are important, but I am more so looking to feel your empathy for this character's plight as I read your letter to them.
- Letter should be two paragraphs in length.
- The rubric is attached to this assignment in the Google Classroom.

	Exceeds	Meets +	Meets	Approaches
Letter Parts	Includes properly formatted heading, greeting, body, closing, and signature.	Includes heading, greeting, body, closing, and signature.	Includes date, greeting, body, closing, and signature.	Includes three or less letter parts.
Presentation	Letter is typed and uses margins on all four sides.	Letter is written neatly. There are no stray marks or crossed out words.	Letter is written neatly.	Writing is difficult to read.
Conventions	Excellent punctuation, spelling, and grammar no errors are present.	Good punctuation, spelling, and grammar with one error.	Punctuation, spelling, and grammar are correct and less than two errors are present.	Punctuation, spelling, and grammar significantly distract the reader. There are more than two errors.
Content	Message stated is clear, precise, and shows insight. Letter is three or more paragraphs. Letter includes a personal experience from BizTown.	Message is clear and the student included a personal experience from BizTown. Letter is two paragraphs.	Message is clear. Letter is two paragraphs in length.	Message is not focused. Ideas wander. The reader may have to infer at times.
