"The rosary is spiritual medicine." ~ Pope Francis

Standardized Testing

Due to the school closure for the coronavirus, standardized testing for Grades 2-8 has been postponed until at least late April. A more specific date will be given once school resumes.

2020-2021 Re-Registration Has Begun!

Emails were sent to all returning families with a SchoolAdmin link to complete the re-registration process for the 2020-2021 school year. You will first be directed to complete the contract. Once the contract is complete you will be able to click on the next button in the re-registration checklist to register on FACTS. All tuition payments for the 2020-2021 school year begin in May. It is important, for planning and staffing purposes, that all returning families complete the re-registration process as soon as possible. If you have any questions, please call the school office and speak with Mrs. Denise Polsinelli, Mrs. Kaitlin Brown, or Mrs. Kim Thayer. Thank you!

2020 Race for Education

Even though school is closed at the moment, we are still working on this year's Race for Education. Sponsor letters will hopefully be mailed within the week. As of right now, we are planning on the Race taking place on the scheduled date of April 2nd. However, it may be postponed if the school closure gets extended. We will keep you updated. If you have any questions, please call the school office or email Mrs. Kim Thayer at kthayer@stmstc.org.

Thank you for your continued support!!

If your child was absent on Friday, March 13th and was unable to get their books/materials needed to complete their work, all books/materials have been labeled and are available for pickup in both buildings. Staff are in the building Monday - Friday from 10:00AM - 2:00PM. All you need to do is ring the bell, a staff member will let you in and the books/materials are on tables just inside the doors of both buildings. If you have any questions, please call the school office. It is essential that all students stay current on their work during this time. Thank you!

Ms. Shannon VanDaniker - svandaniker@stmstc.org

Mrs. Christine Godlewski - cgodlewski@stmstc.org

Nurse Kelly's Caring Corner

There has been lots of information regarding the Coronavirus or COVID-19. The CDC's website and even the Maryland Dept. of Health website has lots of information, however, it can be confusing or overwhelming. I found a very helpful resource that breaks all of that information down into easy to follow and understandable facts. Please click on the link below to download this resource.

As always, please continue to practice good handwashing and hygiene and if you suspect you have symptoms or have any direct questions, please contact your family physician.

Into the Woods, Jr. Theater Production

Unfortunately, due to the recent school closure, our production of *Into the Woods, Jr.* has been postponed to the end of April. We will notify everyone when the exact dates and times have been decided. Thank you for your understanding and support!
